

Finance & Accounting ERP Consultant

(m/f/d)

Lead challenging projects around the implementation and further development of ERP solutions! As our in-house expert for Finance & Accounting projects, you will work with a great international team, receive a lot of personal responsibility and have the opportunity to advance to Partner after only a short time.

much. Consulting is a fast-growing start-up from Munich with a focus on Business IT & ERP systems. You are looking for professionalism, but without the usual rigid structures? Then much. Consulting is the right place for you!

Our offer

- **Quick career advancement:** You will be set on a fast-track towards partnership
- **Real impact:** With us, nothing is set in stone. You are free to shape company processes and contribute your own ideas
- **Start-up culture combined with professionalism:** Look forward to short, flexible decision-making paths and lean, orderly processes
- **A motivated, high-performing team:** Work with like-minded professionals who have great expertise and passion for their work.
- **Flexible working hours:** We believe in a true work-life balance without the industry-standard 80-hour work weeks.
- **Many other benefits:** Annual bonus, fitness center, state-of-the-art equipment - we value our employees and do our best to show it.
