

Intern IT Consultant

(m/f/d)

You want to experience startup life and gain valuable experience in the field of IT consulting from professional experts, preferably in a multicultural team? Then much. Consulting is the perfect place for you!

We are a fast-growing consultancy from Munich with a focus on business IT & ERP systems. You seek professionalism but without the usual rigid structures? Great, that is exactly what we are about! Become part of an international team of creative problem-solvers!

Our offer

- **Exciting & challenging tasks:** you are too clever to be on PowerPoint duty 5 days a week. With us, you carry responsibility from day one.
- **Professional mentoring throughout your entire internship:** after you underwent a carefully structured four-week onboarding plan, you will be working hand in hand with experienced IT consultants.
- **A long-term perspective:** if your internship is successful for both you and us, we would like to invite you to remain a part of much. Consulting in the future.
- **Real team spirit:** join a high-performing, international team that is passionate about its work and likes to have fun along the way!
- **Above-average remuneration:** ranging between € 1,700 - 2,000 / month (gross)
- **Plenty additional benefits:** fitness center, state-of-the-art equipment, self-learning budget - we value our employees & do our best to show it
-

Your profile

- Studies in the field of computer science, business administration or business informatics
- Very fast comprehension, analytical way of working and high level of commitment
- You enjoy demanding & challenging tasks
- You are English & German speaking team player

Your tasks

- Support in the implementation of demanding projects
- Analysis and documentation of processes & IT architectures
- Preparation of feasibility, risk & ROI analyses
- Training of customers for the use of the system
- Further development of our internal ERP system
