

Junior IT Consultant

(m/f/d)

You want to kickstart your career in Consulting with interesting tasks, reasonable working hours, and a young and international team? Then much. Consulting is the perfect place for you!

We are much. Consulting a fast-growing start-up from Munich with a focus on business IT & ERP systems. You seek professionalism but without the usual rigid structures? Great, that is exactly what we are about!

Become part of an international team of creative problem-solvers!

Our offer

- **Exciting & challenging tasks:** with us, you carry responsibility from day one.
- **Steep learning curve:** to enable you to work independently quickly, you will be introduced to your tasks in a carefully structured seven-week onboarding plan.
- **Competitive salary:** you'll receive a salary ranging between 42,000 -57,000 € / year (gross excl. bonus)
- **Flexible working hours:** 80 hour weeks are not our style
- **Real team spirit:** join a high-performing team that is passionate about its work and likes to have fun along the way!
- **Plenty additional benefits:** annual bonus, fitness center, self-learning budget, state-of-the-art equipment - we value our employees & do our best to show it

Your profile

- Bachelor's or Master's degree in computer science, business administration or business informatics
- Very fast comprehension, analytical way of working & high commitment
- Passion for challenging tasks
- English & German speaking team player

Your tasks

- Independent realization of subprojects
- Analysis & design of processes
- Creation of feasibility, risk & ROI analyses
- Preparation of workshops & pitch decks for our customers
- Analysis of IT architectures & derivation of strategies
