

IT Projectmanager

(m/f/d)

Are you ready to take the next step on the career ladder and looking for an exciting, varied job that challenges you time and again? Then much. is the right place for you!
We are a boutique consultancy in the heart of Munich with a focus on business IT & ERP systems. We are ambitious, team-oriented and passionate about our work.

much. Consulting is growing fast and we offer you to grow with us!

Our offer

- **Real impact:** with us, nothing is set in stone. You are free to shape company processes and contribute your own ideas
- **Start-up culture combined with professionalism:** look forward to short, flexible decision-making paths and lean, orderly processes
- **A motivated, high-performing team:** work with like-minded professionals with great expertise and passion for what they do
- **Flexible working hours:** we believe in a true work-life balance without the industry-typical 80-hour weeks
- **Remote work:** we give you the opportunity to work from everywhere
- **Many more benefits:** annual bonus, fitness centre, bike leasing, state-of-the-art equipment - we value our employees & do our best to show it

Your profile

- You have a degree in business administration, (business) informatics or a comparable course of study & have already gained professional experience in project management
- You have IT affinity & basic technical understanding.
- You have a very fast comprehension, a thorough way of working & a high level of commitment
- You are an English & German speaking team player & want to work in an agile international environment.

Your tasks

- You are responsible for the operational & strategic planning of projects for different customers
- You will be responsible for monitoring project quality & ensuring that timelines & budgets are adhered to.
- As the first point of contact, you maintain contact with our customers & discuss project progress & planning with them
- You coordinate the cooperation between our customers, consultants and developers.
