

Junior IT Consultant

(m/f/d) | Munich, Germany | Hybrid work

You want to start your career in IT consulting? No better place to do it than much. Consulting!

We are a fast-growing international consultancy with a focus on business IT & ERP systems. You seek a professional and ambitious work environment but without the usual rigid structures & hierarchies? Look no further!

Become part of a team of creative problem-solvers!

Our offer

- **Exciting & challenging tasks:** no more boring tasks - this is our vision for our customers and our team alike
- **Steep learning curve:** a carefully structured eight-week onboarding plan will enable you to work independently on projects quickly
- **Competitive salary:** ranging between 45,000 - 57,000 € / year (gross excl. bonus)
- **Flexible working hours:** we don't think you should be working 80 hours a week
- **Real team spirit:** work with a high-performing, passionate team that likes to have a good time along the way
- **Plenty additional benefits:** annual bonus, self-learning budget, state-of-the-art equipment - our employees are our biggest asset & we do our best to show it

Your profile

- Bachelor's or Master's degree in computer science, business administration or business informatics
- High commitment, very fast comprehension & analytical way of working and thinking
- Passion for challenging tasks
- English & German speaking team player

Your tasks

- Independent realization of subprojects
- Analysis & design of business IT processes
- Creation of feasibility, risk & ROI analyses
- Preparation of workshops & pitch decks for our customers
- Analysis of IT architectures & derivation of strategies
