

ERP Consultant

(m/f/d) | Munich, Germany | Hybrid Work

A smart, international team with a lot of drive, a results-driven work culture and a position that offers exciting projects plus fast career advancement - sounds good? Then much. Consulting is the right place for you!

We are a fast-growing, international consulting company with a focus on business IT & ERP systems. If you seek professionalism, but without the usual rigid structures, we invite you to join our team!

Our offer

- **Quick career advancement:** you will rise quickly through the ranks to senior consultant and beyond
- **Challenging tasks & real impact:** you carry responsibility from day one, shape company processes and contribute your own ideas
- **Innovative, result-driven work culture:** look forward to short, flexible decision-making paths and lean processes
- **A motivated, high-performing team:** work with like-minded professionals with great expertise and passion for what they do
- **Flexible working hours:** work-life-balance is important, period - no 80 hour weeks
- **Plenty additional benefits:** annual bonus, fitness center, self-learning budget, state-of-the-art equipment - we value our employees & do our best to show it

Your profile

- At least 2 years of experience as an ERP user or consultant
- Experience in handling of customers
- Good understanding of IT in general
- Very fast comprehension skills, analytical way of working & high commitment
- Passion for challenging tasks
- English & German speaking team player

Your tasks

- Conduct ERP projects & manage projects independently
- Design ERP processes for different business units
- Steer the development of ERP solutions
- Conduct workshops & pitches for our customers
- Design business IT architectures
- Develop towards an expert role for various fields or a management role
