much.

Senior ERP Consultant
(m/f/d) | Munich, Germany | Hybrid/Remote Work

Lead challenging projects around the implementation and further development of ERP solutions. Become part of a driven, international team, receive a lot of personal responsibility and take on a role that leads directly to partnership.

We are much. Consulting a fast-growing international consultancy with a focus on business IT & ERP systems. You seek professionalism but without the usual rigid structures? Great, that is exactly what we are about!

Become part of much. Consulting!

Our offer

- **Quick career advancement:** you will be set on a fast-track towards partnership
- **Real impact:** with us, nothing is set in stone - you are free to shape company processes and contribute your own ideas
- **Innovative, result-driven work culture:** look forward to short, flexible decision-making paths and lean processes
- **A motivated, high-performing team:** work with like-minded professionals with great expertise and passion for what they do
- **Flexible working hours:** we believe in a true work-life balance without the industry-typical 80-hour weeks
- **Hybrid/Remote work:** work from our Munich office or anywhere else in Germany
- **Many more benefits:** annual bonus, fitness centre, bike leasing, state-of-the-art equipment - we value our employees & do our best to show it

Your profile

- At least 3 years of experience as an ERP user or consultant
- Very fast comprehension skills, analytical way of working & high commitment
- Passion for challenging tasks
- English & German speaking team player

Your tasks

- Conduct ERP projects independently & manage large projects
- Design processes for entire business units
- Steering of the development
- Lead workshops & pitches for our customers
- Design business IT architectures
- Take on an expert role for Finance, Operations, Logistics, Production or HR
